Snacks: Everyone will need two snacks a day; I would be glad to keep a class supply if parents would like to contribute to that; please send things packaged individually. I prefer to only allow sweeter snacks for the afternoon snack. I do have a small refrigerator for class snacks of yogurts, string cheese etc. Or, you are welcome to send in a snack box for your child to use personally and store in their cubby.

Water: We have a water fountain in the room. If you prefer your child to have a water bottle at school, it must be a size they can personally handle; it will be stored in their cubby; it will return home each day for cleaning
