Tom Miner	4:38 p.m.
Carbela Highway Shop	4:40 p.m.
East River Road	4:45 p.m.

Due to extenuating and variable circumstances, times both coming and going to school can be **Early or Late** by as much as **5 minutes or more!**

Misbehavior on the bus will result in the bus being pulled over and stopped causing delays. **Weather** and road conditions may also be a factor.

Bus load (number of students/stops) may speed up delivery!

East River parents MUST be present, or the bus will return student to the school. Bus will not wait. Any student going home with someone other than their own parent or guardian MUST inform the school who the proxy transportation is in a timely fashion so the bus driver can be informed.

Any students going to a different stop and/or on a different bus MUST have a note to hand to the driver from the parent or a school official.

Students who violate the seating arrangement and/or mask rule will be given a warning with parents contacted and after a second violation will be removed from the bus.
